

Caldwell Veterinary Hospital Boarding Agreement

WELCOME!

The staff at Caldwell Veterinary Hospital welcomes your pets and thanks you for the confidence and trust you put on us for their care while you are away.

In order to provide excellent care for all of our boarders, we require all cats and dogs to be up-to-date on their vaccinations.

If your pet is on any special diet or needs any medication, please let us know. Feel free to leave any such medications, food, or other supplies for your pet.

- My pet(s) _____ have been vaccinated within the last 12 months. If not, I authorize CVH to give them their vaccines while they are here and add charges accordingly to my account.

I understand that in the event of any emergency, CVH or any of their staff members will not be held liable or responsible in any matter, on account of the care, treatment, or safe keeping of my pet(s), and it is thoroughly understood that I assume all risks.
